Terrain beyond the access gates is not subject to avalanche control and is not patrolled. Be prepared, and ski or ride with a partner.

Sugar Bowl Resort is operated in partnership with the US Forest Service. Sugar Bowl does not discriminate against any person on the basis of race, color, sex, national origin, age, or disability and is an equal opportunity employer.

## Responsibility Code

Sugar Bowl is committed to promoting slope safety. Please show courtesy to others and be aware that there are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce. Know the code. It is your responsibility.

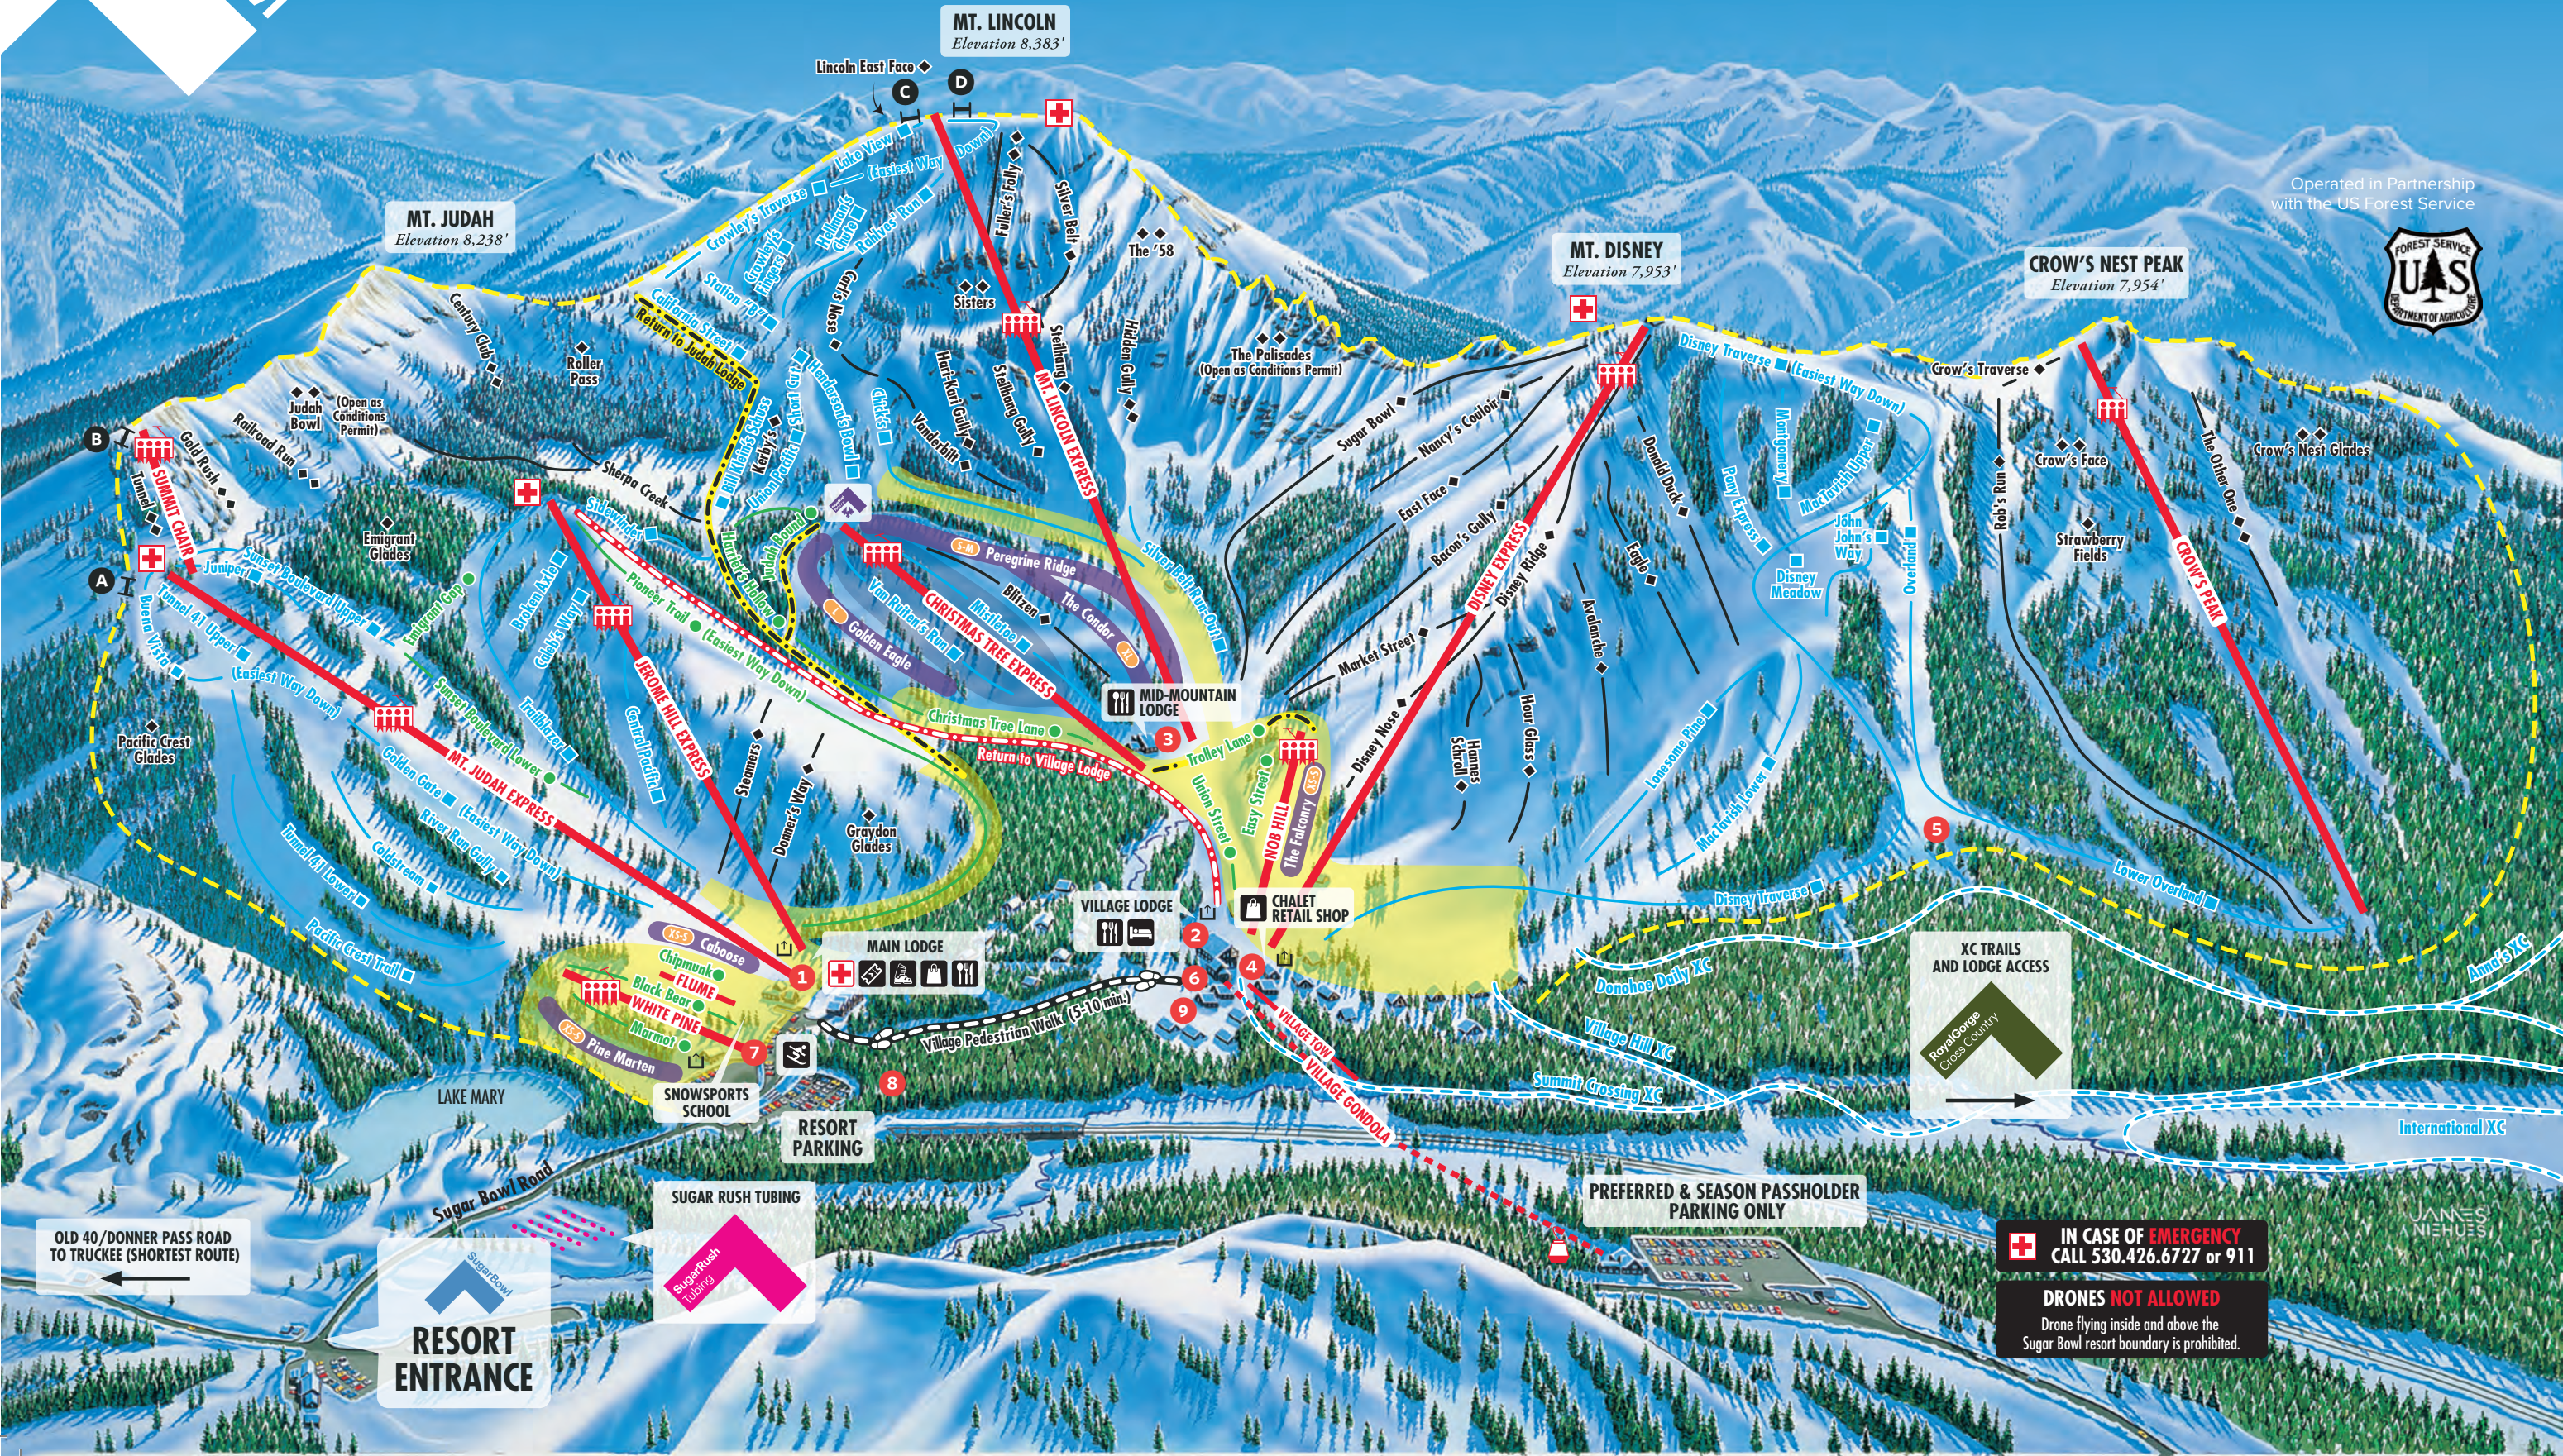

- Always stay in control. You must be able to stop or avoid people or objects.
- People ahead or downhill of you have the right-of-way. You must avoid them.
- Stop only where you are visible from above and do not restrict traffic.
- Look uphill and avoid others before starting downhill or entering a trail.
- You must prevent runaway equipment.
- Read and obey all signs, warnings, and hazard markings.
- Keep off closed trails and out of closed areas.
- You must know how and be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.
- Do not use lifts or terrain when impaired by alcohol or drugs.
- If you are involved in a collision or incident, share your contact information with each other and a ski area employee.

Winter sports involve risk of serious injury or death. Your knowledge, decisions and actions contribute to your safety and that of others. Padding, fencing, equipment covers and other warnings are in place to inform. These warnings are limited in their ability to protect you from injury. It is your responsibility to avoid marked objects and areas. Faster skiing means more risk of injury collisions.

## Warning

You assume all responsibility for injury or death related to participating in skiing, snowboarding and other winter activities at Sugar Bowl Resort, whether in or out of the resort boundary. Sugar Bowl, in conjunction with the USFS, maintains an open boundary policy. The area beyond the ski area boundary is in its natural state, and we do not regularly perform avalanche mitigation or patrol beyond our boundary. Educate yourself before entering the backcountry. Visit [sierraavalanchecenter.org](http://sierraavalanchecenter.org) or call (530) 587-2158 for further backcountry information. It is unlawful to cross closed areas to access the ski area boundary.

Skiing/riding within or entering a CLOSED area is a misdemeanor per the California Penal Code (PC 602r) punishable by a fine up to \$1,000. Violators will lose lift privileges.

**IN CASE OF EMERGENCY**  
CALL 530.426.6727 or 911

**DRONES NOT ALLOWED**  
Drone flying inside and above the Sugar Bowl resort boundary is prohibited.
